Dear C2C Academy Parents,

It's that time again! The 2024-2025 school year is quickly approaching, and we are gearing up to make it a wonderful experience for you and your child!

Coast 2 Coast Player Development is a hockey mentoring agency that recently launched the C2C Hockey Academy, which is now staffed with two former educators with a collective 30+ years experience here to assist your child with his/her academic goals on a daily basis. The academy is located at the rink, in close proximity to the C2C locker room facility and is equipped with all the classroom essentials, including wifi, a printer, student tables and chairs, and various other resources to ensure that your child has a first class educational experience. As former educators, we aim to provide one-on-one academic support while building character and morale as well as a love for learning in every student. We strive to create a positive learning environment where open communication and building meaningful relationships are a priority.
